[19:50] <thebigtj1337> #SusanSux
[19:51] <popsicolo> Elsagate is a disturbing thing on Youtube where it's videos of children's characters doing nasty shit to freak out children @haikugay

[19:54] <thebigtj1337> it would probably take way too long to upload
[19:54] <butter__my__bread> nobody watches live tv and on demand doesn't have alot of ads so advertisers will come crawling back or have to figure out an alternative way to sell products to the masses. there's no way

[19:54] <yolodopper> cheer10 i think youtube wouldve been much better if they had management managing thr business and not being sjw activists

[19:55] <breath321> I honestly doubt there's a huge market for new Need for Speed games, like for Madden and COD, casuals are all over that, but are there any dedicated NFS fans?

[19:55] <thebigtj1337> no lol

[19:55] <breath321> Personally I haven't played a NSF game since Underground 2

[19:55] <breath321> NFS even

[19:56] <zahvone> Glad you enjoy it man. Glad to be back though lol

[19:56] <celestialgoose> You do not need to move to vidme, just have ur vids uploaded there, additionally.

[22:00] <dolladalabill> beat this game without ever spending any money LUL
[22:00] <i_came_here_to_something> SFV is a much more balanced game in terms of the tiers. If they could just fix the input delay (that's an Unreal engine issue btw), and some of the Crush Counters and V-Triggers, it'd be miles ahead of 3S
[22:00] <shoshone> not your fault huh?

[22:01] <tha_enigma> "SFV could be better than 3S"
[22:01] <tha_enigma> lmfao
[22:01] <breath321> I'm mostly weirded out by the RNG comments Phil is the only person that would ever call this RNG, they always wreck him in the same way consistently, by surrounding him or knocking him around, how is it random if it happens consistently and intentionally?
[22:01] <paddingtonbear187> CHILL RACHET
[22:01] <majinboo3> i didnt even know there was an expansion for that game lol
[22:01] <drptolemy> cya anyway

[22:02] <ratchefan12> lol
[22:02] <imbadatdota2> bye phil
[22:02] <paddingtonbear187> InuyoFace
[22:02] <jannedaarc135> Night, guys!
[22:02] <infamousecondson> good night
[22:02] <ratchefan12> i just think phil didnt understand you need to constently get better cars
[22:02] <paddingtonbear187> yup
[22:03] <breath321> Yeah he didn't get the point
[22:03] <eldeadmariachi> @ratchefan12 He doesn't want to grind for new cars
[22:03] <ratchefan12> well then thats result aint it
[22:03] <ratchefan12> i'd play it the right way just saying
[22:04] <ratchefan12> almost tempted to get the game to see if i can do it right
[22:04] <kozatof> What happened

[22:04] <kozatof> Did he quit
[22:05] <mr_izumi> ?
[22:05] <ratchefan12> called it a night kozatof
[22:05] <radiganconagher> do u smoke doinks
[22:05] <kozatof> Is he gonna play this again
[22:06] <ratchefan12> maybe hes gonna decide
[22:06] <ratchefan12> but he dosnt understand you need to constently get new cars
[22:07] <ratchefan12> got a feeling this may be it
[22:07] <ratchefan12> lol he was pissed
[22:08] <kozatof> He doesnâ€™t want new cars?
[22:13] <breath321> Nope, he's trying to play it with the same car
[22:13] <breath321> without upgrading it whatsoever, so he's underleveled and with no upgrades
[22:13] <kozatof> He still has that Benz ?
[22:14] <breath321> Yeah he's still trying to use it
[22:14] <breath321> he's basically making the game harder on himself by not upgrading, then complaining about how hard it is and how bad the devs are
[22:15] <kozatof> Lmao
[22:16] <breath321> I think he just wants an excuse to quit, which is fine, if he doesn't like the game he 's not forced to play it, but not understanding how it works and complaining about it being badly designed is pretty ridiculous
[22:18] <ratchefan12> i agree
[22:18] <ratchefan12> i may be a mod but i dont agree with phil all the time
[22:18] <ratchefan12> this is is a headshaker for sure
[22:19] <breath321> Like there's no rule that he's supposed to play every game to the ending right? Why is he looking for an excuse to quit if he has every right to do so normally
[22:20] <breath321> it's not like this is a patreon paid playthrough either
